Re: Larry Lee Lewis
Letter of Recommendation

To Whom It May Concern,

I booked Larry Lee Lewis for an early holiday party for the company that I work for. There were about twenty – five of us at the dinner event this past Saturday. Mr. Lewis was very friendly and professional while we worked out the booking details, he even asked ahead of time if he could arrive early to set up his equipment. He was very prompt and actually started the show a few minutes early much to our delight. Larry Lee has a great act and he had us laughing the entire time!

We truly enjoyed Larry Lee's show and would highly recommend him for any event.
